HARROGATE BEER WEEK

September 20th – 26th

A Town Wide Celebration of Harrogate's Craft Beer, Brewing Heritage, and beer in the local community

Running from 20 - 26 September 2021, Harrogate Beer Week will present an inclusive, week-long, town-wide celebration of Harrogate beer, local brewing heritage, and beer in the community, inviting pubs, breweries, artists, musicians, cafes and restaurants to celebrate all things beer.

A programme of special events and initiatives will be hosted at bars, brewery taps, and eateries across Harrogate. The event will culminate in a big beer weekend in the town centre. Other features on the programme will include an 'Indie Beer Trail', live local music, and a home brewing competition, with some big names in UK beer heading to Harrogate to host a range of talks and tastings.

Harrogate now boasts five great breweries within a HG postcode - internationally renowned Roosters; rising star Harrogate Brewing; Turning Point; Daleside, our longest-standing local brewery; and newest name on the block, Cold Bath Brewing. There are also number of excellent brewery taprooms.

Despite Covid, Harrogate is host to some of the best pubs and bars in Yorkshire – many independent, and many already attracting new people to the area.

Harrogate Beer Week is about bringing together all things beer and putting a spotlight on the town for 7 days of beer-themed creativity, education and fun. Come and join us?
